

**UTTAR DINJAPUR ZILLA PARISHAD
KARNAJORA, RAIGANJ**

**NOTICE INVITING EXPRESSION OF INTEREST
FOR
PREPARATION OF DETAILED PROJECT REPORT**

NO. 1051 /DPR/UDZP

Dated: 10/05/2022

Expression of Interest is invited on behalf of Uttar Dinajpur Zilla Parishad from the bonafide & experienced consultancy firms/organizations having previous experience of executing similar type of projects for following work:

Sl No.	Name of the Work	Earnest Money (in Rs.)	Completion time
1.	Detailed Project report preparation for drainage System at Kunor Hat and CNCP Home, Kunor, Kaliyaganj, Uttar Dinajpur District	20,000/-	45 Days

SCOPE OF WORK:

The Kunor area under consideration witness water logging in rainy seasons due to inadequate drainage network. Moreover, grey water from the habitation and the market area at Kunor poses additional challenge in liquid waste management. With the objective to address these issues, following, not limited to, will be the scope of work.

1. Topographical survey:
 - a. All level of work and necessary drawing
 - b. Plot all the permanent structures like building, hutment. Electric poles, any other poles or trees etc falling within the drainage area.
2. Necessary soil and water investigation work as per the existing codes and provisions to ascertain the approach for the structural design, foundation design and other designs for physical infrastructure. Investigation report duly signed by competent authority in this regards to be submitted along with DPR.
3. Drainage Plan:
 - a. Assess existing situation of wastewater management in the project area. Undertake necessary surveys and investigations including off-site

- information. Conduct detailed engineering designs in sufficient detail with adequate QA and QC to ensure clarity and understanding by the PRI.
- b. Identification and marking of probable drainage zones, direction of gradients and selection of disposal points.
 - c. Design and plan for treatment of waste water before discharging at the disposal point so as to avoid water pollution or ground pollution. In this regards, strategy for arresting pollutants from entering into water bodies.
 - d. Design drainage system for all uncovered areas at the proposed area while including the existing drainage network(if any)
 - e. Show detail layout of wastewater interceptor, community soak pits, and leach pits etc. storm water lines, networks, liquid waste management site with all required components.
 - f. Development rain/storm water management (for water logged area) plan, design and cost estimate of facilities where applicable.
 - g. Carry out baseline surveys, and ensure the compliance with Environment Impact Assessment (EIA) and Social Impact Assessment (SIA) as per national standards. Holistic approach to local area planning including aspects of sustainability, consistency and responsive to community values.
 - h. Ensuring that prepared designs are implementable on ground or check the constructability of designs with least disturbance to other utilities. Preparing assessment to ensure that the issues of land acquisition, compensation, resettlement and relocation, utility shifting are kept as minimum as possible. In case such issues exist, preparing the resettlement/shifting plans.
 - i. All designs should conform to national/international design guidelines, and other relevant national engineering standards, including climate and disaster risk considerations.
4. Estimation of quantities of item of work including analysis of rates & preparation of DPR. The estimate should be prepared on the basis of schedule of rates of PWD Department.
 5. Super structure & sub structure design, drawing & detailing. These should be vetted by the competent authority. The authentication by Architectural Engineer, Structural Engineer & Geotechnical Engineer to be ensured in all architectural and structural drawings.
 6. The structural stability certificate from 3rd party is to submit in original for all the buildings, if any.
 7. Relevant IRC Codes to be followed during designing of the project.
 8. The google map image for the area under consideration is to be submitted.

9. Total 5 (five) sets of DPRs with drawings (in A3 pages) to be submitted along with the soft copy of the DPRs.

ELIGIBILITY:

The bidder must have sufficient technical knowhow and previous experience for the job. It should have a registered office in India and shall have sufficient manpower or machinery to execute the work. Successful agency will have to complete the same within the time stipulated in the work order (as mentioned above).

HOW TO APPLY:

1. Rate must be inclusive of all taxes in the letter pad.
2. Earnest money as mentioned above in the shape of DCR to be purchased in favour of the Additional Executive Officer, Uttar Dinajpur Zilla Parishad.
3. The intending bidders will have to apply/submit in their letter head mentioning NIT No. & Pan Card, Professional Tax receipt Challan for the year 2021-22, valid 15 digit Goods and Services Taxpayer Identification Number (GSTIN) under GST Act, 2011, Current Income Tax (Saral) Acknowledgement Receipt (for assessment year 2021-22) to be submitted.
4. Tax invoice(s) needs to be issued by the supplier for raising claim under the contract showing separately the tax charged in accordance with the provisions of GST Act, 2011.
5. Certificate submitted with attested copy along with past experience of similar nature of work and details of technical manpower for each documents

These documents to be submitted in a sealed cover addressed to the Additional Executive Officer, Uttar Dinajpur Zilla Parishad, **on or before 25-05-2022 up to 3 PM.**
Place of submission of EOI shall be **Chamber of District Engineer, Uttar Dinajpur Zilla Parishad.**

Thereafter it will be **opened on 26-05-2022 at 12 PM.** Bidders may remain present at time of opening of the bids. Bidders may remain present at time of opening of the bids.

The Authority reserves the right to accept or reject any or all the quotations and not bound to accept the lowest rate without assigning any reasons thereof.

PAYMENT SCHEDULE:

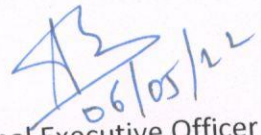

The consultancy charge/ payment shall be released after submission of DPR to this office duly vetted by competent authority/Department and after getting financial sanction for the said work for which DPR has been prepared.
